

Model 142F

Hand Cutting Torch for Oxy-Propane/ Butane/ Natural Gas

**SPECIAL
OFFER**

**3 FREE NFF
Nozzles
with every
Torch**

ADVANTAGES:

- ▶ Pays for itself quickly because lower fuel gas cost comparing to acetylene;
- ▶ Heats and cuts as fast as acetylene;
- ▶ Safe, tough Harris design last longer
- ▶ The same torch can be used for cutting, heating and gouging.
- ▶ NNF nozzles offer heavy pre-heat and last longer than ANM/PNM nozzles

OTHER FEATURES:

- ▶ Easy cuts up to 200mm steel;
- ▶ Well balanced, top mounted stainless steel lever with hold-down button;
- ▶ Use with cylinder gas or piped gas as low as 0.015 bar;
- ▶ Solid forged head resist abuse and distortion;
- ▶ Toughest triangular design of stainless steel tubes;
- ▶ Ease-on oxygen for smoother starts;
- ▶ Head mixing for operator safety;
- ▶ Produced in European Union.

MODEL 142-F CUTTING TORCH

Recommended Retail Price = £109.03 each + VAT

Special Offer Price = £89.50 each + VAT

3 x NFF Nozzles Retail Price = £34.26 + VAT
